Whāia te ara tika | Follow the right path

Lockdown PRACTISE ONLY finished: Thank you

Friday | Rāmere 1 April 2022

Kia Ora, Mālō e lelei, Talofa Lava, Kia Orāna, Kamusta

Today on *Friday 1 April*, we practised our emergency procedures under the guidance of **Harrison Tew®**, who specialise in emergency management planning for schools and educational facilities.

The procedures we follow allow us to respond safely and quickly to a range of situations.

We're delighted to share that our practise today went very well with our tamariki and staff responding safely and calmly! Our **Harrison Tew® expert partner was very impressed with our school wide response**. Well done, Team. Super proud of you all!

During the year we'll continue to practise our emergency procedure exercises to ensure all staff and tamariki remain familiar with them.

Should you become aware of a lockdown or an evacuation at the School, I ask that you please do not attend the School or phone, as we will not be able to respond. Your presence or contact may make it more difficult for us or the emergency services to manage a situation.

Any information about an emergency occurring at the School will be updated on our website as regularly as possible: [www.tamakiprimary.school.nz](http://www.tamakiprimary.school.nz)

We believe that it is important that we have regular practises for lockdowns and evacuations so that we can all be well prepared and familiar with our procedures should an emergency occur.

Thank you so much for your support. Have a lovely and safe weekend.

Ngā manaakitanga,

Dr Deanna Johnston  
Principal | Tumukaki
