Dear parents/whānau

Today we initiated our lockdown procedures due to the Police informing us of a police related incident occurring nearby our School.

The decision to lockdown is one that was not taken lightly and was made with the safety of our staff and students in mind.

We regularly practise our emergency safety procedures to ensure that our staff and students are familiar with them. Please also see previous notices (and on our School website). Our website is where we place the updates.

Students, staff and persons onsite were all safely accounted for during the lockdown. We're very proud that our staff and students responded so safely and calmly. Well done!

We thank our parents and whānau for your support, trust and understanding during this challenging time.

Fa'afetai tele lava, take care 🌸
