Attendance

A huge congratulations to the 138 students who have received awards for excellent attendance (90%+) this term. This is a strong reflection of commitment to learning and showing up every day ready to succeed. Today we celebrated the 42 learners who have achieved 100% attendance so far this term. Your consistency and effort set a powerful example for our whole school.

I also want to acknowledge and sincerely thank the parents and whānau of these amazing learners. This does not happen by chance. It reflects your effort, commitment, gentle encouragement, and daily support. We see it, and we appreciate it, wholeheartedly.

*Only three more days of school to go. Let's finish strong.
100% for the rest of the term.*
