Kia ora e te whānau

This year, our Student Leaders have selected a leadership conference- the National Young Leaders Day Programme (NYLD) on Thursday 14 May 2026. The theme of the conference is: *Leaning into Fear - Tūwhitia te hopo, mairangatia te angitū.*

Everyone feels scared sometimes, even the people you look up to. Even the people on stage. Even the ones who look confident and brave. Every leader you'll hear from at NYLD as faced and overcome some kind of fear:

- *Fear of getting it wrong*
- *Fear of standing out*
- *Fear of failing*

It's about leaning in. Giving it a go. And being brave.
