

Mālō e lelei,

Tomorrow is our final celebration for Tongan Language Week, and we are excited to celebrate our Tongan language and culture with our students and wider school community. We encourage all students to wear Tongan/cultural attire for our final celebration.

Students participating in the Tongan performance will have their speeches at 9:30am in the hall.

Our final celebration will be held during our 12:00pm assembly. After the assembly, we will come together to share kai and celebrate our students' hard work throughout the week.

We kindly ask parents and whānau of children participating in the performance to bring a plate of food to share.

Thank you for your continued support and for helping us celebrate our Tongan language, culture and identity with our tamariki.

Mālō 'aupito,
Talamuka 'a Tonga Team
